Sir,

LETTER OF COMMENDATION FOR DELIGHT MASOCHA

It is our pleasure to write to you concerning the success of CAANS 2018 ABUJA in which your staff were spectacular, professional and flawless in their dealings with our LOC, the congress hotels and our delegates. The ovation was resounding and post-congress feedback from delegates was laudable. In the midst of this great feat and huge success is Ms Delight Masocha.

Ms Delight Masocha is the star of the congress. That we must say! We have worked with her closely for a couple of months preparatory to the congress and during the congress and we found in her an unshakable commitment, dedication, sense of responsibility and professionalism. She is able to take in so much stress and yet not show it on her face or in her words. She is very patient and stands up for her delegates and clients through thick and thin and yet able to be forceful and assertive at the right moments. We really admire her judgement and swift problem solving skills. In addition she has a warming-people skill that made her quickly fit into our team as if she belonged there since inception. A wonderful organizer indeed. Simply put, Ms Delight is exceptionally phenomenal!

At the end of the congress we all knew that she is a strong personality whose heart is filled with burning passion for organizing successful events yet delivers it smoothly with immaculate gentility. Calmly but seriously we remarked that should CAANS Congress be a daily meeting Delight is capable of 365 days of hitch-free organization.

CAANS Abuja LOC appreciates EOA and your staff and look forward to working with you again

Yours Sincerely

Prof. Bello Bala Shehu
President NANS and Congress President
